

Stimulus Check

What You Should Do With It And Why

Wait!

Don't Make Any Decisions
Right Away. Impulse Money
Decisions Are Bad.

Make A List

Create A List Of What You
Can Do With Your Stimulus
Money.

Need vs Want

This is not the time to waste money on a want. We could be shut down next month. Cross those out on your list.

Add More Needs

Did you leave anything off the needs list? Did you add pay off debt, skills training or create an emergency fund?

Find The One

Out of all the needs you listed,
cross all but the top three out.
Which one of those three will
have the most impact? That's
THE ONE!

Get Help

As a Financial Coach I can help
you not only with the impact
you can create with the
stimulus, I can coach you
along a path towards a legacy!
